

AYA HUMA
FREE WALKING

BY JUAN MINDA

THE CAYAMBE VOLCANO

THE MOST BEAUTIFUL
GLACIERS IN ECUADOR.

EXPLORE

The only snowy mountain on the planet that is crossed by the Equatorial Line.

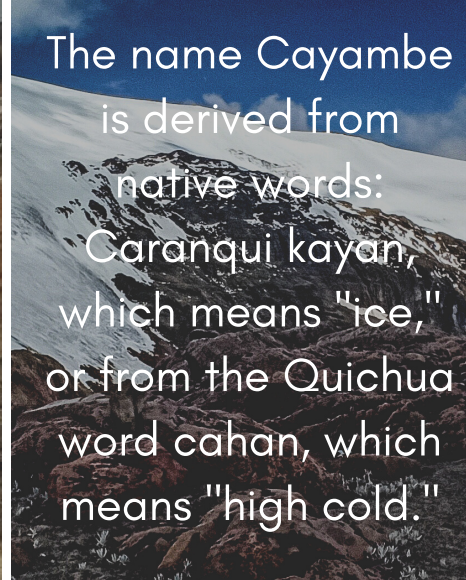

SHARE

The great experience of walking, starting from 4200 meters above sea level to 4600 meters above sea level, where you will appreciate the majestic green lagoon.

KNOW

The name Cayambe is derived from native words: Caranqui kayan, which means "ice," or from the Quichua word cahan, which means "high cold."
